Who We Are

Bayou Land Families Helping Families is a resource center staffed by parents and family members of individuals with disabilities and professionals with experience in disability services.

Through our own experiences, we are committed to reaching out to individuals with disabilities, their families, and the professionals who serve them.

OUR MISSION is to provide information and referral, education and training, and peer-to-peer support to individuals with disabilities or special needs and their families.

OUR VISION is to strengthen, support, and empower individuals with disabilities or special needs and their families.

Education and Training

Educational opportunities and training are available for individuals with disabilities, their family members, and professionals to encourage, empower, enlighten and enable.

Peer-to-Peer Support

We connect parents and/or caregivers that share the experience of caring for a child or family member with a disability or special need through our state-wide network of families.
